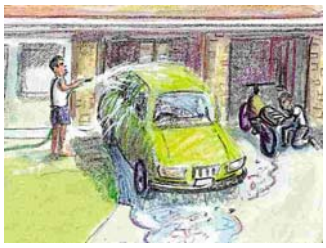
LET'S PROTECT WATERWAYS!

THE DRAIN IS JUST FOR RAIN

Draw a line from the bad action to the opposite good action to find out how you can help protect our waterways.

BAD FOR OUR WATERWAYS

Leaving dog poo on the ground



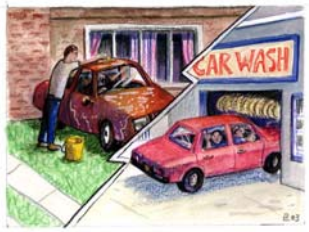
Washing the car in the driveway

Leaving lots of leaves and sediment in the gutter

Tossing cigarette butts on the ground

Using lots of fertiliser and pesticide on the garden

GOOD FOR OUR WATERWAYS



Washing the car on the grass or taking it to a car wash

Being a responsible owner and picking up dog poo

Using compost or worm castings.

Sweeping the gutter and keeping it clean

Putting litter and cigarette butts in the bin
