Driveway Line Marking Application

City of Newcastle (CN) can arrange for driveway line markings to be installed **0.5 metres** either side of the driveway if you are experiencing unacceptable and continuing encroachments on access to your property. The lines are not legally enforceable but have shown to be effective at reducing the occurrence of driveway encroachment. The line marking is in accordance with Sections 138, 142 and 218 of the Roads Act 1993. The applicable charge for lines on either side of the driveway is **$133.30** (inclusive of GST). An application is only available for a CN approved driveway crossing.

To apply for this service please complete this form and submit by email to traffic@ncc.nsw.gov.au. You will be provided with a request for payment once your application has been assessed. Payment can be made online via BPoint. Once we receive a copy of the payment receipt a works order will be submitted.
