

Application for an UPGRADED Kerbside Waste Service

HOW TO USE THIS FORM

You can use this form to upgrade an existing waste service at a property, such as upsizing bins or arranging for additional bins.

To arrange a kerbside waste service where there is currently **no existing service** at the property, such as a brand new home, please complete our *Application for a NEW Kerbside Waste Service* form.

STANDARD WASTE SERVICE OVERVIEW

All rateable **residential** properties in the Newcastle local government area are entitled to a weekly 140-litre general waste (garbage) bin service, a fortnightly 240-litre recycling bin service and a fortnightly 240-litre green waste bin service as part of their standard rateable entitlement.

Rateable **commercial** properties are entitled to a weekly 140-litre general waste bin service only.

The standard waste service entitlement for each property type is summarised below.

Bin type	Rateable Property Type		
	Residential	Commercial	Non-rated

These fees are **subject to annual change**. Additional waste services must be renewed annually with an account issued at the start of each financial year. A pro-rata fee is charged during the first year of service.

Additional Services - General Waste (Garbage)

City of Newcastle offers an option to have more than one general waste bin and/or to have your general waste bin/s serviced more frequently than the regular once weekly schedule, at a cost. For example, this could be twice or more per week. Please see overleaf for pricing.

Additional Services - General Waste (Garbage) - continued

The annual fees stated below are for each additional bin serviced once per week. Multiple bins and/or collections are charged accordingly. For example, two 140-litre bins collected twice weekly equals four services (i.e. 2 bins x \$561.35 p.a./bin x 2 services/week = \$2,245.40 p.a.), as does a single 140-litre bin collected four times per week (i.e. 1 bin x \$561.35 p.a./bin x 4 services/week = \$2,245.40 p.a.).

Table 3		Annual fee per service (2018-19)	
Collection days	No. of services per week	140-litre bin	240-litre bin
Monday to Friday	1-4	\$561.35 p.a.	\$692.15 p.a.
	5-8	\$542.80 p.a.	\$665.40 p.a.
