ITEM-1: CCL 17/11/15 - IPART REPORT ON "FIT FOR FUTURE' NSW GOVERNMENT RESPONSE

MOTION
Moved by Lord Mayor Cr Nelmes, seconded by Cr Posniak

1. Council receives this report and notes that the NSW Government requires all Councils to identify their merger preference with neighbours regardless of whether they are deemed ‘fit’.

2. Council's preference is to remain a stand-alone council and opposes a merger of Lake Macquarie and Newcastle City Councils.

3. If Council was to merge our preference would be for a merger with Port Stephens Council (PSC) which would be part of a regional solution with similar demographic profiles by creating a Tier 2 Global City, encompassing port, airport, defence, university, industrial and health hubs.

4. Council delegates authority to the Interim Chief Executive Officer to respond on Council's behalf to the NSW State Government by 18 November 2015 regarding the following matters via an online template in the required format:

   a. Feedback on IPART's assessment of the Council's Fit for Future submission as follows:
   
   "Newcastle City Council meets all of the FftF financial criteria and believes the methodology used to assess the Scale and Capacity criterion was flawed and refutes IPART’s assessment that it is not fit. NCC remains committed to maintaining its long-term financial sustainability and serving the community as a stand-alone council, with second preference to merge with Port Stephens Council" (50 words)

   b. Council's first preferred merger partner is Port Stephens Council. Council's second preference merger partner is Lake Macquarie City Council. All other preference boxes are to remain blank.

   c. Comments on the preference:
   "Council’s second preference is to be the lead Council for a merger with Port Stephens Council. This merger will be part of a regional solution with similar demographic profiles by creating a Tier 2 Global City delivering required scale and capacity, while maximizing port, airport, defence, university, industrial and health hubs" (50 words)

5. That the Lord Mayor and Interim Chief Executive Officer write jointly to the Premier and Minister for Local Government requesting that Council remain eligible for $20 million of merging funds, given the cooperative regional
leadership shown in undertaking its obligations to consult with neighbouring Councils and to proposed amalgamation preferences.
