

BUILD NOTICE 003

Civil Construction Works

Civil construction works associated with the Newcastle 500 and Newcastle City Council renewal works has commenced across the eastern end of Newcastle from 22 May 2017.

Regular updates are being provided about the specific locations and types of works being undertaken as time progresses.

In the week commencing 05 June 2017, construction works will continue.

Temporary changes

- To ensure two-way traffic flow on-street parking along Watt Street from Church Street to Scott Street will be temporarily unavailable
- King, Hunter and Scott street intersections at Watt Street will have traffic control measures in place

During this time, traffic management controls will be in place to ensure the safety of residents, the public and workers alike. Traffic management signage and traffic controllers will be in place to ensure the smooth passage of vehicles and pedestrians. The details of those proposed measures are set out in the diagrams below.

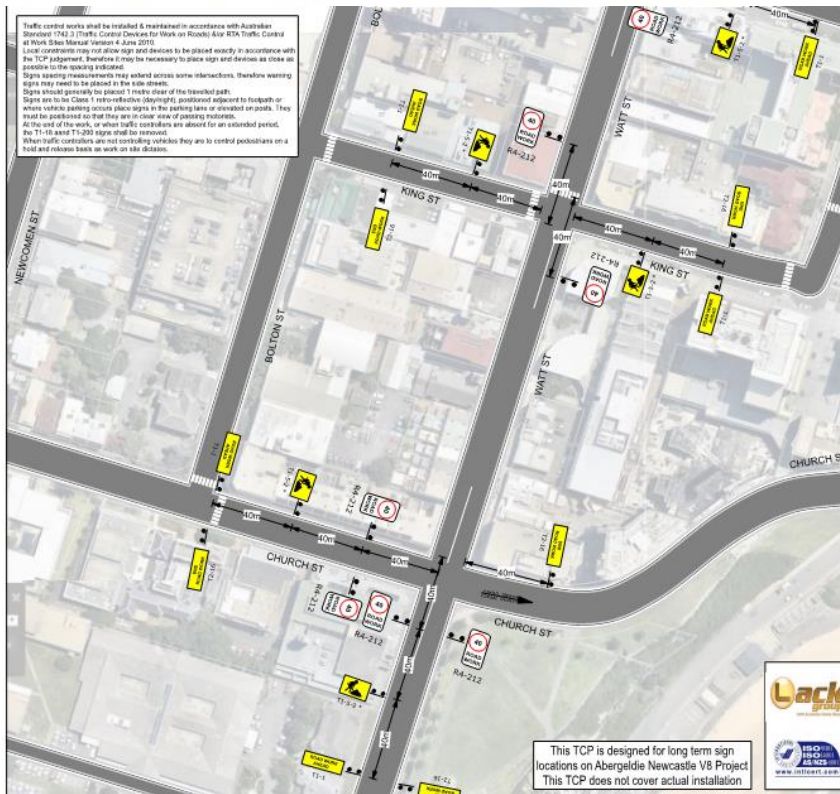

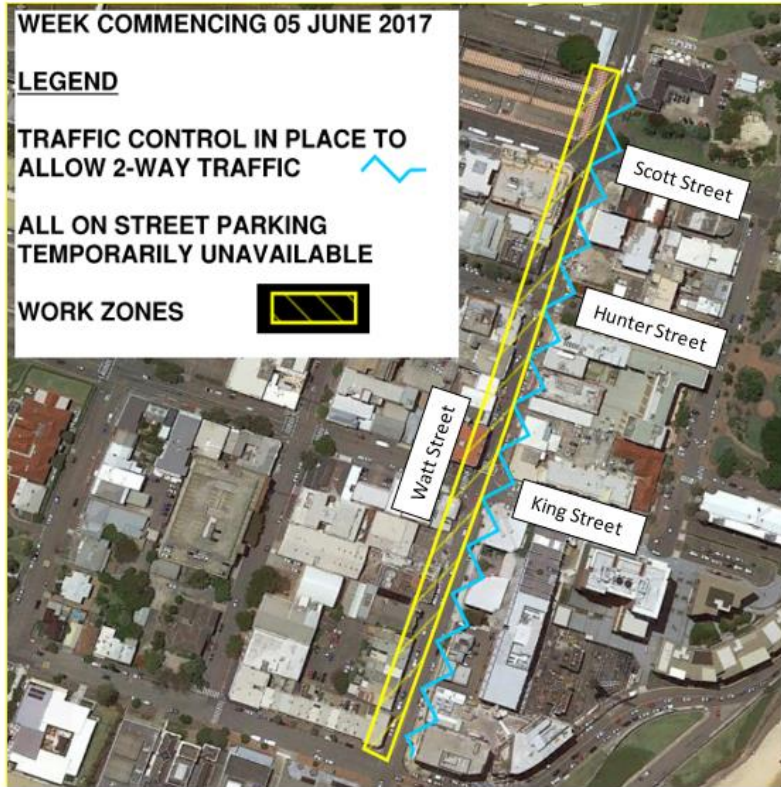

If you have questions or require more information, please email the Community Relations Team on community@supercars.com or call 02 8346 2676.

Kind regards
Supercars Australia
