PURPOSE

To provide an update to Council on the submissions received during the Public Exhibition period for the draft 2013-17 Delivery Program, 2015/16 draft Operational Plan and the 2015/16 draft Fees and Charges.

BACKGROUND

A Delivery Program is required to be prepared every four years following a local government general election. The Delivery Program and Operational Plan are subsequently required to be reviewed and updated annually and adopted by Council by 30 June 2015.

Council's 2013-17 Delivery Program has been based on the outcomes of the Integrated Strategic Financial Analysis (ISFA) prepared in November 2012 and expert independent advice. The ISFA found that the current budget position and increasing deficit forecast at that time was not sustainable in the long term.

Council's 2013-17 draft Delivery Program, 2015/16 draft Operational Plan and 2015/16 draft Fees and Charges have been placed on Public Exhibition as per the Local Government Act 1993 for a period of 28 days from 30 April to 28 May 2015. A total of 14 submissions have been received from the public.
