NEWCASTLE NSW 2300

4 September 2015

Please note:

The City of Newcastle Council meetings are webcast. Council accepts no liability for any defamatory, discriminatory or offensive remarks or gestures that are made during the course of the meeting. Opinions expressed or statements made by participants or third parties during the webcast, or included in any presentation, are the opinions or statements of those individuals and do not imply any form of endorsement by the City of Newcastle. Confidential meetings of Council will not be webcast.

The electronic transmission is protected by copyright and owned by the City of Newcastle. No part may be copied or recorded or made available to others without the prior written consent of the City of Newcastle. This transmission is not, and shall not, be taken to be an official record of the City of Newcastle or of any meeting or discussion depicted therein.

Council meetings are recorded for the purposes of verifying the accuracy of minutes taken. Only the official minutes may be relied upon as an official record of the meeting. Council may be required to disclose recordings pursuant to the Government Information (Public Access) Act 2009, or where Council is compelled to do so by court order, warrant or subpoena or by any other legislation.

PURPOSE

For the Parks and Playgrounds Movement to update Council regarding the State Heritage Listed Coal River Precinct (SHR1674) and Council’s Conservation and Tourism Management Plan (Pizzey Plan) adopted 2008. The Parks and Playgrounds Movement requests that Council revise the Pizzey Plan to promote the precinct as a special Newcastle historic and recreational place.

The Coal River Conservation and Tourism Management Plan was adopted by Council in 2008 to guide future planning and policy making in the Precinct. The Council report noted the Pizzey Plan provided valuable overview and insight regarding the importance of the precinct and included a series of initiatives to enhance local, regional and national appreciation of Newcastle’s history through its indigenous pre-history and European settlement.

The Pizzey Plan recognises the contribution of the Coal River Precinct to the visitor product on offer in the historic East End, noting the synergies between iconic heritage sites including Nobby’s and Fort Scratchley as well as identifying opportunities to increase Newcastle’s market share within the specialised cultural tourism segment.

The Plan identifies a series of priorities as part of an integrated interpretation and management plan for the Precinct. Council has a number of priority projects underway to implement the major themes of the Plan, including the Bathers Way project, which presents the Coal River storylines in extensive new signage treatments, new paving and public domain improvements. Examples of other Council projects and policy documents that complement the Coal River story include:

- Cathedral Park revitalisation (2012 - ongoing);
- Opening of the Newcastle Museum at Honeysuckle in 2013;
- Delivery of ‘City Evolutions’ interpretive lighting project in Watt Street - 2013-2014;
- Adoption of the Newcastle Destination Management Plan - 2013 (which recognises heritage as a key asset and one of Newcastle’s ‘unique selling’ points);
- Adoption and implementation of Fort Scratchley Plan of Management 2013
- Newcastle Walking Trails - 6 new themed walks released April and June 2015, one walk is specifically linked to the Coal river story;
Dual naming of key sites within the Coal River precinct. A budget of $50,000 has been allocated in 2015-16 to implement at 8 sites; Newcastle East Heritage Trail (to be reproduced 2016).

Other agencies with major projects underway within the Coal River precinct include Newcastle Now, which has enhanced and expanded public access to Nobby’s Lighthouse. Newcastle Now continues to improve the visitor experience at this important heritage site through events, interpretations and activities that explore the Coal River theme.
