Exhibition

City of Newcastle is proposing the following traffic or parking amendment:

It is proposed to install "No Parking" signs on the western side of Tarin Street, Mayfield East to retain more parking spaces than that of the eastern side of the street.

Tarin Street between Maitland Road and Mounter Street is a two-way road, of varying width but approximately 5.5m wide, and currently does not possess dividing lines nor parking restrictions.

The current Road Rules 2014 (Rule 208) states that if the road does not have a continuous dividing line or a dividing strip, the driver must position the vehicle such that at least 3 metres of the road alongside the vehicle is clear for other vehicles to pass, unless otherwise indicated by information on or with a parking control sign.

Due to the limited width, when vehicles are parked on both sides of the street, the statutory 3m minimum clearance cannot be maintained. Further, parked vehicles have been reported to restrict accessibility of emergency and waste collection services. CN is required to implement a "No Parking" restriction on one side of Tarin Street between Maitland Road and Mounter Street.
