City of Newcastle's (CN) Community Grant Programs (CGPs) provide a number of funding opportunities to support initiatives that contribute to the social, cultural, environmental, and economic life of the city.

Through partnerships we deliver a more diverse range of Activities and this is a powerful way of responding to local needs and delivering outcomes that CN, on its own, may not be able to provide.

Part A Preliminary

1 Background

- 1.1** City of Newcastle's (CN) Community Grant Programs (CGPs) provide a number of funding opportunities to support initiatives that contribute to the social, cultural, environmental, and economic life of the city. These offer support for a diverse range of Activities and are a powerful way of responding to local needs and delivering outcomes that CN, on its own, may not be able to provide.
- 1.2** CN Grants are highly competitive. To assist with submitting an eligible and competitive application, please read the Community Grants Policy, this Guideline document and contact CN to discuss an application prior to submission.

2 Purpose

- 2.1** The purpose of CN's CGPs are to fund Activities that contribute to CN's vision and priorities, which are detailed in Newcastle 2040: Community Strategic Plan (CSP).
- 2.2** These Guidelines provide specific instructions in making an application for funding within different CGPs.
- 2.3** These Guidelines are to be read in conjunction with the Community Grants Policy. The Guidelines and Policy must be read prior to lodging any application.

3 Scope

- 3.1** These Guidelines apply to all aspects of CN's CGPs, including application processes, decision making, Funding Agreements and Activity Acquittal.
- 3.2** These Guidelines apply to all ad hoc Grant funding not connected to a specific CGP.
- 3.3** These Guidelines cover all elected members of Council, all CN employees, any person or organisation contracted to or acting on behalf of CN, any person or organisation employed to work on CN premises or facilities and all Activities of CN.
- 3.4** These Guidelines do not apply to:
 - 3.4.1** CN Sponsorship Programs
 - 3.4.2** Grants received by CN
 - 3.4.3** Donations provided by CN
 - 3.4.4** CN Special Business Rate Funding.

Part B Community Grants Program

4 General Eligibility

- 4.1** All applications must meet the eligibility criteria in order to be considered for funding. Ineligible applications will not progress to assessment.
- 4.2** The eligibility criteria common to all of CN's Grants are listed below. In addition to this, each Grant Program has Program specific eligibility criteria, and these are detailed later in these Guidelines.
- 4.3** Common eligibility criteria require that:
 - 4.3.1** Applicants must operate within the Newcastle Local Government Area and/or be able to demonstrate that the Activity will directly benefit residents of Newcastle;
 - 4.3.2** Applications must be received on or before the advertised due date and completed with the required level of detail and supporting documentation as specified in these Guidelines;
 - 4.3.3** Applicant's Activity must begin after the Grant funding commencement date;
 - 4.3.4** Funding for retrospective, recurrent or ongoing funding will not be considered;
 - 4.3.5** The Activity must be consistent with the CSP and Sustainable Development Goals (SDGs);
 - 4.3.6** Applicants must have the appropriate level of insurance for the Activities that are the subject of the funding request. CN has a minimum requirement for \$20m Public Liability Insurance. It is the Applicants responsibility to ensure that CN is supplied updated certification throughout the Activity's timeline;
 - 4.3.7** Applicants must be capable of obtaining all regulatory approvals for the Activity, including those required from CN for the proposed Activity;
 - 4.3.8** Where an Activity will involve adults working with children, successful applicants must undertake the necessary 'Working with Children' checks. The applicant must provide CN with a letter advising of the successful completion and clearance of these checks prior to commencement of Activity. The letter must be signed by an office bearer of the organisation receiving the Grant.
- 4.4** Ineligible applications – CN does not provide Grants for:
 - 4.4.1** Activities that duplicate existing services or have a current Funding Agreement in place for the same Activity. This applies to all funding from CN including Grants, Sponsorships and Special Business Rate Funding. This includes cash and in-kind support;
 - 4.4.2** Religious ceremonies and/or Activities that exclude the general population where the promotion of a single faith is the main purpose, or religious Activities that could be perceived as divisive in the community;
 - 4.4.3** Profit making Activities where the profits are allocated to shareholders, owners and/or members;

- 4.4.4** Activities that vilify or discriminate a person or persons in respect of race, religion or sexual orientation or use live animals as part of a performance;
- 4.4.5** Applications seeking funds for prize money, gifts or awards or general fundraising appeals including those seeking funding for representative sport or cultural Activities;
- 4.4.6** Applications seeking funds for coursework or fees; ongoing operational costs including rent or lease cost; accommodation or travel costs.

- 4.5** The following entities are not considered by CN as suitable for Funding Agreements, including those:
- 4.5.1** Involved in any Socially Harmful Activity and/or manufacture, distribution and wholesaling of an Addictive Drug;
- 4.5.2** Found guilty of illegal or improper conduct by the Independent Commission Against Corruption (ICAC) or any similar authority;
- 4.5.3** Subject of a criminal conviction imposed by a Court of New South Wales or other jurisdiction in Australia, including for any offence under the *Crimes Act 1900* (NSW), *Crimes Act 1914* (Cth) and the *Criminal Code Act 1995* (Cth);
- 4.5.4** Involved in political fields or affiliations, e.g. political parties;
- 4.5.5** Other local, state or federal government departments and agencies;
- 4.5.6** Involved in a competitive tender or purchasing process for the same Activity, at, or around the time of negotiating a Grant or other Funding Agreement; and
- 4.5.7** Record of unsatisfactory Acquittal of prior Grants, Sponsorship or other Funding Agreement with CN;
- 4.5.8** Record of outstanding debt with CN;
- 4.5.9** Employees of CN or Councillors are not eligible to directly apply for funding. If an employee of CN or Councillor is a party to an application submission this must be declared, and the employee or Councillor is unable to take part in the assessment process of the Grant program.

5 Grants Process

5.1 Applications:

- 5.1.1** All applications must be made online through CN's online Grant management system - newcastle.smartygrants.com.au/
- 5.1.2** Computers can be booked at all CN library branches and CN officers can assist in the online application process.
- 5.1.3** Application forms differ between program streams and may include additional requirements such as video submissions and/or in-person presentations.
- 5.1.4** Multiple applications from one entity will be considered where proposals relate to separate Activities. Applications for a specific Activity will be considered in one program only, and applicants must nominate the program in which they wish to be considered.

5.2 Auspicing

- 5.2.1** CN accepts applications from organisations that are providing such auspice arrangements to groups that would otherwise not be eligible for funding. Sometimes individuals, unincorporated groups or newly incorporated associations with great community Activity ideas partner with existing non-profit organisations to access funding and help an Activity happen in our community. This type of relationship is often called 'auspicing'.
- 5.2.2** Auspicing can be a relatively quick and efficient way to secure funding and get a community Activity started, in some cases, without establishing one's own organisation. The organisation providing the auspice for the Activity may offer particular skills, infrastructure, resources, legal and insurance protection, and management assistance for the Activity, depending on what is agreed.
- 5.2.3** In such cases, the organisations providing auspice should complete the application form as the "Applicant Organisation" as they are the organisation that enters into a formal funding relationship with CN if successful.

5.3 Assessment & Funding Recommendations:

- 5.3.1** Applications are reviewed by relevant CN Officers to determine if eligibility requirements have been met. NOTE: applications deemed ineligible will not progress to assessment..
- 5.3.2** All eligible applications undergo an initial evaluation against Assessment Criteria. This is completed by relevant CN Officers with appropriate knowledge and expertise in the Program being assessed.
- 5.3.3** The Assessment Panel will, at a minimum, consist of:
- One (1) CN Employee with subject matter expertise;
 - One (1) CN Service Unit Manager (or delegate);
 - One (1) CN Director (or delegate);
 - Lord Mayor (or delegate).

- 5.3.4** The Assessment Panel then meet to assess all applications, using the initial evaluation outcomes as guidance, to determine which applications will be successful. The Assessment Panel can allocate funding up to the budgeted amount.
- 5.3.5** Even if an application meets all the eligibility and Assessment Criteria, it may not be supported. Assessors may consider other available information regarding the applicant, its services and Activities, including details of previous Activities.
- 5.3.6** Determinations of the Assessment Panel are final, and no further discussions will be entered into.
- 5.4 Delivery of funded activity:
- 5.4.1** Delivery of the agreed Activity must occur within the timeframe listed in the Funding Agreement.
- 5.4.2** If a successful recipient requires a variation to either the Activity or the delivery time, a variation request must be submitted. See section 10 for further details.
- 5.5 Notification of outcomes, Funding Agreements, and payments:
- 5.5.1** All applicants will be notified of the outcome of their application.
- 5.5.2** Successful applicants will be required to review and sign a Funding Agreement. The Funding Agreement will include conditions and reporting requirements in exchange for funding. Certain special conditions may be placed upon an applicant's funding at the Assessment Panel's discretion.
- 5.5.3** Awarding of funding from CN via a Funding Agreement in no way implies any ongoing funding commitment or obligation by CN, including for payments for works (including maintenance) delivered outside of the financial year in which the Activity was agreed to be completed.
- 5.5.4** Awarding of a Funding Agreement does not imply that CN has given any other consent. Applicants should note that many activities require approvals and consents from CN, NSW Police and other state government agencies and that they are wholly responsible for obtaining such approvals. The failure to obtain approvals will void the Funding Agreement and may result in funding being revoked even where works have been completed.
- 5.5.5** Upon submitting the Funding Agreement along with a Tax Invoice and copies of relevant insurances, the applicant's payment will be released into their nominated bank account.
- 5.5.6** In accordance with *A New Tax System (Goods and Services Tax) Act 1999* (Cth), if entities do not have an Australian Business Number (ABN), CN may be required to withhold 49% of any funds allocated.
- 5.5.7** All financial information provided should be exclusive of GST. Successful entities that are registered for GST will receive the allocated Grant amount plus GST. Successful entities that are not registered for GST will receive the allocated Grant amount, which is exclusive of GST.
- 5.5.8** CN will require all successful recipients to publicly acknowledge CN as a supporter of the Activity. This requirement will be included in the Funding Agreement and evidence will be requested in the Acquittal Report.
- 5.5.9** Table 1 below details the quote requirements for any goods/services the applicant intends to procure as part of the proposed Activity. This can include a catalogue item or quote from a provider. In addition to the quote requirements, an applicant may be asked to provide rationale about why a quote was chosen if it is not the cheapest option (e.g. experience, previous knowledge).
- 5.4.10** CN reserves the right to determine the value for money of quotes provided during the assessment process.

Table 1: Quote requirements

Value of Goods/Services	Quote Requirement
Under \$3,000 (inc. GST) for capital purchases including equipment and infrastructure works	No written quote required
\$3,000 and above (inc. GST) for capital purchases including equipment and infrastructure works	Two written quotes required
Consultancy/Contractor fees under \$30,000 (includes works requiring licensed tradespersons)	One written quote required
Consultancy/Contractor fees between \$30,000 and \$150,000	Two written quotes required
Services provided by applicant	Hourly rate to be provided and must not exceed capped resource rate

* Note – For the Façade Improvement Scheme, two quotes will be required to ensure value for money. For items where quotes are not specifically requested, a well-researched and realistic budget, clearly indicating what CN funds would be spent on and the sources and application of matching contributions is required.

5.5 Acquittal Report:

- 5.5.1** Successful applicants must provide a final Acquittal Report to CN within 45 days of Activity completion.
- 5.5.2** The information required will be specified in the Funding Agreement and may include:
- Final accounts (audited, if appropriate).
 - Evidence of how CN was acknowledged during the Activity.
 - An assessment of the outcomes realised against the outcomes anticipated or estimated in the application form.
 - Formal advice of funds not spent (funds not expended for the purpose outlined in the application must be returned to CN).

6 Privacy

- 6.1** CN pledges to respect and uphold applicant rights to privacy protection under the Australian Privacy Principles (APPs) as established under the *Privacy Act 1988* (Cth) and amended by the *Privacy Amendment (Enhancing Privacy Protection) Act 2012* (Cth). Refer to CN's [Privacy Management Plan](#) for further information.

9 Ad Hoc Grants

9.1 Process

- 9.1.1** Ad hoc Grants may be offered by CN to meet a specific need, often due to an urgent matter or other circumstances. These Grants are typically available to a select range of applicants and are not ongoing.
- 9.1.2** As per the Community Grants Policy, the CN Director may determine to allocate a portion of the total funding available each financial year (along with any unexpended or returned funds) for ad hoc applications outside the competitive round detailed in these Guidelines.
- 9.1.3** Ad hoc Grant opportunities may be:
 - 9.1.3.1 Open – these Grant opportunities will be published on the CN website and all eligible applicants will be able to apply.
 - 9.1.3.2 Closed – applications will be received or requested by invitation only to targeted cohorts.

9.2 Assessment

- 9.2.1** Applications for ad hoc Grants will be assessed from the most relevant program. Further criteria may be used and, if so, these will be included in guidance material.
- 9.2.2** Applications for ad hoc Grants will be assessed by the Assessment Panel from the most relevant program as defined in 5.3.3, 7.2.1 and 8.3.3.

10 Variation Requests

10.1 A Grant variation is a change to a Grant. Variation requests are categorised as:

- 10.1.1** Funding Period Variations: changes to the Funding Period due to a delayed start date, a delay during the Grant, a change to the end date, and/or changes to the Activity term.
- 10.1.2** Activity Variations: Change to the scope of an Activity including changes to budget allocations, redirection of funds and changes in outputs.

10.2 There are specific circumstances where it is appropriate for a CN Grant to be varied. CN Grants are awarded following rigorous assessment of an application and accordingly any proposed Grant variations, including changes to the Activity or Funding Period, need to be reviewed and approved. Please notify CN as soon as possible at grants@ncc.nsw.gov.au. Any changes to the Activity, Funding Period or Budget will need to be approved by the Service Unit Manager (or delegate). Any request for an increase in Funding Value will need to be approved by the Assessment Panel as per Annexure B.

10.3 CN will consider each request to vary a Grant relative to the following:

- a) the individual circumstances outlined in the variation request;
- b) the Guidelines under which the Grant was applied for;
- c) the best outcomes for the Grant against its aims and objectives;
- d) whether the Grant will continue to align with the purpose of the Grant opportunity;
- e) whether the Grant will continue to achieve value with relevant public money;
- f) any other matters of which CN is aware relevant to the Grant or the recipient.

10.4 Variation requests that contradict the eligibility criteria of the CGP will not be accepted. For example if an eligibility criterion was a limit of 20% for administration fees and the variation results in more than 20% in administration fees, the variation request will be rejected.

10.5 A variation request must be submitted to CN via CN's Grants management system at least six weeks before the proposed date of effect to allow adequate time for review.

10.6 To receive access to the variation request form, please contact us on (02) 4974 2000 or email grants@ncc.nsw.gov.au.
