Is there an alternative to using a shipping container? _____

Purpose of shipping container placement _____

FEES	Application fee per week	\$75.00
	Application fee per month (or part thereof)	\$285.00

Standard Conditions to place a shipping container on a Public Road

1. The applicant must undertake the whole risk of carrying out the works and shall hold Council indemnified against any claims arising out of damage or injury to property or persons during the works. In this regard the applicant is to have Public Liability Insurance for a sum of at least ten million dollars (\$10,000,000), endorsed for cross liability and registering Council as having a co-insured interest.
2. There must be no obstruction or hindering of the passage of pedestrians or vehicles. The container is to be located adjacent to the kerb in an area which is not subject to parking restrictions or otherwise agreed by Council. **The container must be protected by barriers at the front and rear and must be fitted with retro-reflective bands or lit at night.**
3. The applicant must consult neighbouring residents on the proposal. A copy of the notification is to be submitted to Council for information; and
4. A copy of the approval is to be held at the premises and made available to Council officers upon request.

I declare that the information I have provided is true and correct. I acknowledge that if the information provided is found to be false, my permit could be cancelled.
