# The City of Newcastle **Community Street Tree Planting Request**

**Your neighbours are gathering support to have street trees planted by Council in your street.**

The greater the level of agreement amongst residents for tree planting, the higher the priority allocated to this request. If there is enough interest Council will organise and run a community whole of street planting. Please indicate on the form a day and time that suits you.

Once Council receives the completed form, an inspector will assess the proposed planting site to ensure compliance with Council's Urban Forest Technical Manual. A suitable tree species will be selected through the Street Tree Masterplan.

| **Name of your street** | |
|---|---|

Please print clearly

| House No. | Property Owners Name | Signature | Would you be interested in coming to a Whole of Street Planting (2 Hours)? | What days are you available? |
|---|---|---|---|---|
| | | | YES / NO | SAT / SUN / MIDWEEK |
