

Newcastle Harbour Foreshore Masterplan

We're developing a masterplan to guide the future of Newcastle Harbour Foreshore, including a new inclusive playspace. The masterplan will help shape the 'look and feel' of Foreshore Park and Joy Cummings Promenade, so we can create a space for everyone to enjoy. It will also include a new inclusive playspace that will be developed with our partners, Variety - the Children's Charity.

We'd like to find out what you love about the Harbour Foreshore, and what you'd like to see here in the future.
