Located just outside the fort walls, the function centre at **Fort Scratchley** Historic Site is a contemporary, light filled space with a seating capacity of up to 120 guests plus bridal table.

Its location means you and your guests can enjoy an unmatched view over Newcastle Ocean Baths, the Cowrie Hole and out to sea. Running along the Northern side of the function centre, the timber deck provides an ideal alfresco option, where you and your guests can enjoy pre-dinner drinks and canapes with a salty breeze and the sound of the ocean in the background.

The function centre offers high ceilings and uninterrupted vision so that the bridal table can be seen from all corners of the room. The fixed dance floor is an added convenience so that as soon as soon those formalities are over, you can have your first dance as a married couple, then dance the night away with your family, friends and loved ones.
