## WELCOME TO NEWCASTLE MUSEUM

**Newcastle Museum has an eclectic mix of industrial and contemporary design spaces available to hire for corporate functions and events.**

The purpose built McIntyre Theatrette is equipped with a large screen, high-quality digital projector and audio sound equipment. The theatre is available for hire day and night and is perfect for corporate presentations, lectures and workshops.

Built to link the BHP and Supernova buildings, the Link Gallery features a beautiful pipe organ and historic Buck locomotive. With detailed brickwork and arched windows as a backdrop, this light and spacious room is perfect for cocktail functions, formal dinner parties, corporate events and product launches.

Our BHP Gallery is yet another unique location as you are surrounded by the history of steel making in the region. The lower area of the gallery is available for venue hire and is fantastic for small to

medium sized events.

Our Earth Ball will take your breath away. Impress your guests in this personalised space and enjoy pre-dinner drinks and canapes or an intimate seated dinner under the magic of our suspended luminous Earth Ball.

Should you require any further information or wish to make an appointment to view the venue, please do not hesitate to contact our Newcastle Venues Team.

**The McIntyre Theatrette is the only space for hire at Newcastle Museum after 1 July 2019**

## VENUE OPTIONS

### MCINTYRE THEATRETTE

Our purpose built **Theatrette** with its beautiful exposed brick walls and arched windows is equipped with a large screen, high quality digital projector and audio sound equipment making it the perfect venue for corporate presentations, lectures, film nights, workshops and more. This space offers the functionality of a detailed function and event space, with the unique ambience of the original railway workshop brickwork.

### LINK GALLERY

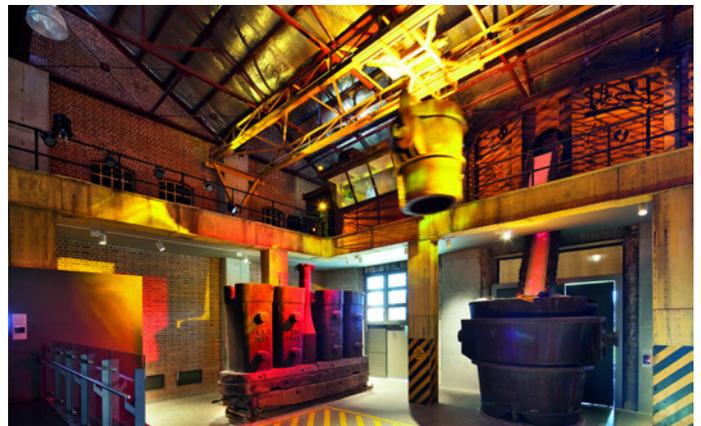

The **Link Gallery**, which features a historic Buck locomotive and pipe organ to add interest to an already light and spacious area, provides another unique venue option. With its rugged detailed brickwork, arched windows and soaring ceiling, this light and spacious room is perfect for private parties, cocktail functions, formal dinner parties, corporate events and product launches. Whether a cocktail-style or formal seated dinner, you can transform this space into a grand destination.

### EARTH BALL

Our giant **Earth Ball** will take your breath away with its size and luminosity. It provides an ideal space for small to medium events and is particularly spectacular when used for celebrations such as business launches and cocktail gatherings.

### BHP GALLERY

The **BHP Gallery** is a unique location as you will be surrounded by the history of steel making in the region. The lower area of the gallery is available for venue hire, and is fantastic for small to medium sized events, such as cocktail parties, a night with a band/entertainer and private parties.
