## Part A Preliminary

### 1 Purpose

- 1.1 The City of Newcastle (CN) is committed to increasing the range and supply of housing to meet the needs of the city, including affordable housing. The purpose of this Policy is to state CN's position and approach to facilitating a mix of dwelling types, tenures, and sizes to support the diverse needs of the community as it grows and changes.

### 2 Scope

- 2.1 This Policy will:
- 2.1.1 Apply to all land in the Newcastle Local Government Area (LGA).
  - 2.1.2 Facilitate a diversity of housing types and tenures and increase the supply of affordable housing using planning agreements, amending the Local Environmental Plan, and preparing an affordable housing contributions scheme. .
  - 2.1.3 Aim to maintain and increase the supply of affordable rental housing for key workers living in very low to moderate income households by working with all levels of government to ensure no net loss of social and affordable housing.
  - 2.1.4 Apply to planning proposals with an intended outcome to increase density or that are in Council's growth areas.
- 2.2 This Policy should be considered with CN's Local Strategic Planning Statement and Local Housing Strategy. It supports CN's policies for Planning Agreements, and Community Infrastructure Incentives.

### 3 Principles

- 3.1 City of Newcastle (CN) commits to the following:
- 3.1.1 **Alignment with Council strategies** - the Policy aligns with Council priorities outlined in the *Newcastle 2030 Community Strategic Plan, Council's Local Strategic Planning Statement, and Council's Local Housing Strategy 2020*.
  - 3.1.2 **Access and Equity** – CN aim to ensure all people have equitable access to the type of housing that meets their needs and is affordable.
  - 3.1.3 **Certainty** – by embedding affordable housing into CN strategy, policy, and plans.
  - 3.1.4 **Consistency** – by ensuring CN regards this Policy when reporting to Council on proposed increases in density through an amendment to the Local Environmental Plan 2012 (LEP).
  - 3.1.5 **Inclusiveness** - CN makes its best efforts to reach, involve and hear from those who are impacted directly or indirectly by our decisions.
  - 3.1.6 **Openness** – by providing clear directions to meet CN's housing needs and through open decision making and transparency in actions. This means recording, giving and revealing reasons for decisions, revealing other avenues available to the client or business, when authorised, offering all information and communicating clearly.
  - 3.1.7 **Collaboration** – partnering with relevant organisations, industry and other councils to achieve the goals and targets of the Policy.

## Part B Implementation

### 4 Organisational Commitment

4.1 CN will implement this Policy by providing:

- 4.1.1 An overall affordable housing target of 15% to work towards, across the city.
- 4.1.2 An evidence based affordable rental housing target for all strategic plans and planning proposals for urban renewal or greenfield development.
- 4.1.3 Targets for affordable rental housing in CN established through feasibility analyses as part of the Newcastle Local Housing Strategy.
- 4.1.4 An Affordable Housing Contributions Scheme to apply to land within:
  - Catalyst areas and strategic centres proposing residential accommodation
  - Urban Renewal Corridors
  - Any other location where an increase in residential density will occur because of an amendment to planning controls
- 4.1.5 Mechanisms to deliver more affordable market-based, private housing implemented through the Newcastle Local Housing Strategy.
- 4.1.6 The development industry with a process to facilitate and inform Planning Agreements for an affordable housing component of developments where appropriate.
- 4.1.7 Planning controls that diversify housing types and tenure and facilitate affordability of housing with a sensitivity to the character of place.
- 4.1.8 Opportunities to deliver affordable rental housing by working with all levels of government, industry experts, Aboriginal Land Councils, private sector, stakeholders, and community housing providers.
- 4.1.9 Investigation into the best solutions and opportunities available to support the community in response to immediate housing problems.

### 5 Roles and Responsibilities

- 5.1 All levels of government have a role in the provision of housing. This policy focuses on CN's role in facilitating and advocating for opportunities for the provision of housing to meet the needs of the whole community.
- 5.2 The Regulatory, Planning and Assessment Service Unit are primarily responsible for implementing this policy through relevant changes to the planning framework.
- 5.3 Community Strategy and Innovation Service Unit have a supporting responsibility in the provision of important data to inform the policy implementation.

## Annexure A - Definitions

**Affordable rental housing/affordable housing** is housing that households on very low income to moderate incomes can afford, as defined in the *Environmental Planning and Assessment Act 1979* and *State Environmental Planning Policy No 70 – Affordable Housing (Revised Schemes)*:

- very low – 50% of median income
- low – 50 – 80% of median income
- moderate – 80-120% median income.

**CEO** means Chief Executive Officer of the City of Newcastle and includes their delegate or authorised representative. References to the Chief Executive Officer are references to the General Manager appointed under the Local Government Act 1993 (NSW).

**City of Newcastle (CN)** means Newcastle City Council.

**Community housing provider** is a not-for-profit organisation which provides affordable rental and social housing for very low, low, to moderate income and is registered under the National Regulatory System for Community Housing.

**Council** means the elected Council.

**Density** means the quantitative rate used to measure the concentration of development on land. Under the Local Environmental Plan (LEP), density is measured by floor space ration (FSR), with an ‘increase in density’ meaning an increase in the amount of gross leasable floor area (GFA) able to be accommodated on a site.

**Dwellings** are all types of housing, from granny flats and studios to apartments, townhouses, terraces, semi-detached homes and standalone homes.

**Housing affordability** means the general affordability of both rental and purchase housing on the open market and is not limited to those on low to moderate incomes. A common benchmark of affordability is housing that does not absorb more than 30% of the gross income of very low, low, or moderate income households.

**Housing diversity/housing range** is the range of shape and form of housing, including the varying scale, layout, number of bedrooms and whether housing is usable and accessible by all people. Also referred to as housing typologies it refers to the availability of different housing depending on an area's landscape, topography, planning controls and proximity to centres, services, facilities and transport.

**Key worker** is someone on a very low to moderate income who provides a vital service to the economic and social development of CN, including school teachers, midwives, nursing professionals, hospitality and retail workers, personal carers, aides and assistants, child carers, fire fighters, police, bus and rail drivers, cleaners and laundry workers.

**LEP** means Newcastle Local Environmental Plan 2012.

**Social housing** is housing for people on low incomes or people in housing crisis, which the government or community housing providers own or manage. Rents are based on income.

**Public housing** is a type of social housing managed by a government organisation such as the Department of Communities and Justice or the Aboriginal Housing Office.

Unless stated otherwise, a reference to a section or clause is a reference to a section or clause of this Policy.
