8. Evidence and supporting documentation

You are required to establish that we caused the alleged loss and/or damage through some form of negligence. In any public liability claim, the burden of providing proof of negligence rests with you as the person seeking compensation. We cannot assist you in this.

Evidence and supporting documentation are required to evaluate your claim. If this information is not provided it may delay your application.

Please refer to our website <http://www.newcastle.nsw.gov.au/Council/Contact-Us/Claims-against-Council> to assist you in determining the evidence and documentation required to be submitted with your claim.

Evidence - e.g. report from a qualified service provider i.e. engineer, plumber, medical practitioner

Have you supplied the necessary evidence?

Yes

No

Supporting documentation - e.g. quotations, out of pocket medical expenses

Have you supplied the necessary supporting documentation?

9. Photographs

One of the most effective ways to avoid confusion about the circumstances surrounding your claim is through the use of photographs. We use photographs to ensure we are investigating the correct location and/or issue.

Only take photos if it is safe to do so. You are requested to provide a variety of shots and angles to clearly show the situation that supports your claim.

Your photographs need to show the following (where applicable):

Vehicle damage examples:

- The area that has sustained damage e.g. car door, windscreen
- A photo clearly showing the side where the damage occurred e.g. passenger/driver's side

Personal injury examples:

- A clearly marked area where the accident/incident occurred
- A photo clearly showing the surrounding area in relation to the alleged hazard

Have you attached the required photos? Yes No
