11.1 The Parties acknowledge that at the time of entry into this Deed, the Developer had not determined the extent to which buildings and structures comprising Civic Station would be demolished or retained.

**Part 4 – Security and Enforcement**

24 **Provision of Security**

24.1 The Developer is to give the Security to the Council when it executes this Deed.

27.3.2 it has notified the Developer in writing that it intends to enforce the Deed not earlier than 14 days from the date of the notice, and
27.3.3 the notice specifies the enforcement action it intends to take.

27.4 At any time between the date of the notice referred to in clause 27.3 and the time when the Council takes action to enforce this Deed, the Developer may notify the Council of a Dispute under clause 29 or 30.

27.5 If the Developer notifies the Council in accordance with clause 27.4, the Council is not to enforce this Deed against the Developer in relation to the relevant non-compliance unless and until the dispute resolution process under clause 20 or 30 has been exhausted without resolution between the parties.

28 Enforcement in court

28.1 Without limiting any other provision of this Deed (other than clause 27), the Parties may enforce this Deed in any court of competent jurisdiction.

28.2 For the avoidance of doubt, nothing in this Deed (other than clause 27) prevents:

28.2.1 a Party from bringing proceedings in the Land and Environment Court to enforce any aspect of this Deed or any matter to which this Deed relates,

28.2.2 the Council from exercising any function under the Act or any other Act or law relating to the enforcement of any aspect of this Deed or any matter to which this Deed relates.

Part 5 –Dispute Resolution

29 Dispute resolution – expert determination

29.1 This clause applies to a Dispute between any of the Parties to this Deed about a matter arising in connection with this Deed that can be determined by an appropriately qualified expert (Expert Determination Dispute) if:

29.1.1 the Parties to the Dispute agree that it can be so determined, or

29.1.2 the Chief Executive Officer of the professional body that represents persons who appear to have the relevant expertise to determine the Dispute gives a written opinion that the Dispute can be determined by a member of that body.

29.2 Such a Dispute is taken to arise if one Party gives another Party a notice in writing specifying particulars of the Dispute.

Hunter Development Corporation

29.3 If a notice is given under clause 29.2, the Parties are to meet within 14 days of the notice to try to resolve the Dispute.

29.4 If the Dispute is not resolved within a further 28 days, the Dispute must be referred to the President of the NSW Law Society to appoint an expert to determine the Dispute.

29.5 The expert determination binds the Parties, except in the case of the expert’s fraud or misfeasance.

29.6 Each Party must bear its own costs arising from or in connection with the appointment of the expert and the expert determination.

29.7 The Parties are to share equally the costs of the President, the expert, and the expert determination.

30 Dispute resolution - mediation

30.1 This clause applies to any Dispute under this Deed other than a Dispute to which clause 29 applies.

30.2 Such a Dispute is taken to arise if one Party gives another Party a notice in writing specifying particulars of the Dispute.

30.3 If a notice is given under clause 30.2, the Parties are to meet within 14 days of the notice to try to resolve the Dispute.

30.4 If the Dispute is not resolved within a further 28 days, the Parties must mediate the dispute in accordance with the Mediation Rules of the Law Society of New South Wales published from time to time, and must request the President of the Law Society, or the President’s nominee, to select a mediator.

30.5 If the Dispute is not resolved by mediation within a further 28 days, or any longer period that may be needed to complete any mediation process which has been started, then the Parties may exercise their legal rights in relation to the Dispute, including by taking legal proceedings in a court of competent jurisdiction in New South Wales.

30.6 Each Party is to bear its own costs arising from or in connection with the appointment of a mediator and the mediation.

30.7 The Parties are to share equally the costs of the President, the mediator, and the mediation.

Part 6 –Restriction on Dealings

31 Registration of this Deed

31.1 In this clause 31, Dedication Land means any part of the Land which is to be dedicated to Council.

31.2 The Parties agree to register this Deed for the purposes of s 7.6 of the Act on the title to the Dedication Land, after the Lot 2 in DP1226145 (Lot 2) is subdivided to create the part of Lot 2 which comprises Dedication Land as a separate lot.

31.3 Within 10 business days of the Developer being notified by NSW Land Registry Services of the creation of the part of the Dedication Land on Lot 2

20
as a separate lot, the Developer is to deliver to the Council in registrable form:

31.3.1 an instrument requesting registration of this Deed on the title to each lot containing any Dedication Land, executed by the Developer and any other person required by the Registrar-General to execute such instrument, and

31.3.2 the written irrevocable consent of each person referred to in s 7.6(1) of the Act to that registration.

31.4 The Developer, at its own cost, is to:

31.4.1 do such other things as are reasonably necessary to enable registration of this Deed to occur, and

31.4.2 provide the Council with evidence of registration within 5 days of being notified by NSW Land Registry Services of such registration.

31.5 If this Deed is registered on the title to a lot which contains Dedication Land and that lot is subsequently subdivided such that any of the newly formed lots do not contain any part of the Dedication Land then the Parties agree to do all things as are reasonably necessary to ensure that the Deed is not registered on the title to those newly formed lots which do not contain the Dedication Land, including by instructing the Registrar-General not to register this Deed on the title to those lots.

31.6 The Parties are to do such things as are reasonably necessary to remove any notation relating to this Deed from the title to the Land:

31.6.1 in so far as the part of the Land concerned is not Dedication Land, and

31.6.2 in relation to any other part of the Dedication Land, once the Developer has completed its obligations under this Deed to the reasonable satisfaction of the Council or this Deed is terminated or otherwise comes to an end for any other reason.

32 Assignment, sale of Land, etc

32.1 The Developer is not to sell or transfer the Land, other than a Final Lot to any person unless:

32.1.1 the Developer has, at no cost to the Council, first procured the execution by the person to whom the Land or part is to be sold or transferred, of a deed in favour of the Council on terms satisfactory to the Council, and

32.1.2 the Council has given written notice to the Developer stating that it reasonably considers that the purchaser, is reasonably capable of performing its obligations under the Deed, and

32.1.3 the Developer is not in breach of this Deed, and

32.1.4 the Council otherwise consents to the transfer, such consent not to be unreasonably withheld.

32.2 The Developer is not to assign its rights or obligations under this Deed, or novate this Deed to any person unless:

32.2.1 the Developer has, at no cost to the Council, first procured the execution by the person to whom the Developer’s rights or obligations under this Deed are to be assigned or novated, of a deed in favour of the Council on terms satisfactory to the Council, and

32.2.2 the Council has given written notice to the Developer stating that it
reasonably considers that the assignee or novatee is reasonably capable of performing its obligations under the Deed, and

32.2.3 the Developer is not in breach of this Deed, and

32.2.4 the Council otherwise consents to the assignment or novation, such consent not to be unreasonably withheld.

32.3 Clauses 32.1 and 32.2 do not apply:

32.3.1 in relation to any sale or transfer of any land if this Deed is registered on the title of that land at the time of the sale or transfer; or

32.3.2 in relation to any sale or transfer by the Developer of any part of the Land to the University of Newcastle, provided that the relevant part of the Land does not include any Dedication Land.

Part 7 - Indemnities & Insurance

33 Release

33.1 Each Party releases the other Party from any Claim it may have against the other Party arising in connection with the performance of their obligations under this Deed except if, and to the extent that, the Claim arises because of the other Party's negligence or default.

34 Indemnity

34.1 Each Party indemnifies the other Party from and against all Claims that may be sustained, suffered, recovered or made against the other Party arising in connection with the performance of their obligations under this Deed except if, and to the extent that, the Claim arises because of the other Party's negligence or default.

35 Not Used

Part 8 - Other provisions

36 Review of Deed

36.1 The Parties are to review this Deed every 5 years, and otherwise if either Party considers that any change of circumstance has occurred, or is imminent, that materially affects the operation of this Deed.

36.2 For the purposes of clause 36.1, the relevant changes include (but are not limited to) any change to a law that restricts or prohibits, or enables the Council or any other planning authority to restrict or prohibit, any aspect of the Development.

36.3 For the purposes of addressing any matter arising from a review of this Deed referred to in clause 36.1, the Parties are to use all reasonable endeavours to agree on and implement appropriate amendments to this Deed.
36.4 A Party's failure to agree to take action requested by the other Party as a consequence of a review referred to in clause 39.1 is not a Dispute for the purposes of this Deed, and is not a breach of this Deed.

37 Notices

37.1 A notice, consent, information, application or request (Notification) that must or may be given or made to a Party under this Deed is only given or made if it is in writing and sent in one of the following ways:

37.1.1 delivered or posted to that Party at its address set out in the Summary Sheet,

37.1.2 faxed to that Party at its fax number set out in the Summary Sheet, or

37.1.3 emailed to that Party at its email address set out in the Summary Sheet.

37.2 A Party may change its address or fax number by giving the other Party 3 business days' notice of the change, in which case the new address or fax number is treated as the address or number in the Summary Sheet.

37.3 A Notification is to be treated as given or made if it is:

37.3.1 delivered, when it is left at the relevant address,

37.3.2 sent by post, 2 business days after it is posted,

37.3.3 sent by fax, as soon as the sender receives from the sender's fax machine a report of an error-free transmission to the correct fax number, or

37.3.4 sent by email and the sender does not receive a delivery failure message from the sender's internet service provider within a period of 24 hours of the email being sent.

37.4 If a Notification is delivered, or an error-free transmission report in relation to it is received, on a day that is not a business day, or if on a business day, after 5pm on that day in the place of the Party to whom it is sent, it is to be treated as having been given or made at the beginning of the next business day.

38 Approvals and consent

38.1 In this clause, a reference to an approval or consent does not include a reference to a Development Consent.

38.2 Except as otherwise set out in this Deed, and subject to any statutory obligations, a Party may give or withhold an approval or consent to be given under this Deed in that Party's absolute discretion and subject to any conditions determined by the Party.

38.3 A Party is not obliged to give its reasons for giving or withholding consent or for giving consent subject to conditions.

39 Costs

39.1 The Developer will pay the Council's costs of preparing, negotiating, executing and stamping this Deed and any document related to this Deed, up to a maximum amount of $1,000.00. To the extent that the Council's costs exceed this maximum amount, Council will be responsible for paying that excess amount.
40 Entire Deed

40.1 This Deed contains everything to which the Parties have agreed in relation to
the matters it deals with.

40.2 No Party can rely on an earlier document, or anything said or done by another
Party, or by a director, officer, agent or employee of that Party, before this
Deed was executed, except as permitted by law.

41 Further acts

41.1 Each Party must promptly execute all documents and do all things that
another Party from time to time reasonably requests to effect, perfect or
complete this Deed and all transactions incidental to it.

42 Governing law and jurisdiction

42.1 This Deed is governed by the law of New South Wales.

42.2 The Parties submit to the non-exclusive jurisdiction of its courts and courts of
appeal from them, and are not to object to the exercise of jurisdiction by those
courts on any basis.

43 No Fetter

43.1 Nothing in this Deed shall be construed as requiring Council to do anything that would
cause it to be in breach of any of its obligations at law, and without limitation, nothing shall
be construed as limiting or fettering in any way the exercise of any statutory discretion or
duty.

44 Illegality

44.1 If this Deed or any part of it becomes illegal, unenforceable or invalid as a
result of any change to a law, the Parties are to co-operate and do all things
necessary to ensure that an enforceable agreement of the same or similar
effect to this Deed is entered into.

45 Severability

45.1 If a clause or part of a clause can be read in a way that makes it illegal,
enforceable or invalid, but can also be read in a way that makes it legal,
enforceable and valid, it must be read in the latter way.

45.2 If any clause or part of a clause is illegal, unenforceable or invalid, that clause
or part of it is to be treated as removed from this Deed, but the rest of this
Deed is not affected.

46 Amendment

46.1 No amendment of this Deed has any force or effect unless it is in writing and
signed by the Parties to this Deed in accordance with clause 25D of the
Newcastle Urban Rail Transformation Program Planning Agreement
Newcastle City Council

Regulation.

47 Waiver

47.1 A Party does not waive any of the other Party’s obligation or breach of obligation merely by failing to do, or delaying in doing, something under this Deed.

47.2 A waiver by a Party is effective only if it is in writing.

47.3 A written waiver by a Party is effective only in relation to the particular obligation or breach for which it is given. It is not to be taken as an implied waiver of any other obligation or breach, or as an implied waiver of that obligation or breach in relation to any other occasion.

48 GST

48.1 In this clause:

Adjustment Note, Consideration, GST, GST Group, Margin Scheme, Money, Supply and Tax Invoice have the meaning given by the GST Law.

GST Amount means in relation to a Taxable Supply the amount of GST payable for the Taxable Supply.

GST Law has the same meaning as in A New Tax System (Goods and Services Tax) Act 1999 (Cth) and any other Act or regulation relating to the imposition or administration of the GST.

Input Tax Credit has the meaning given by the GST Law and a reference to an Input Tax Credit entitlement of a Party includes an Input Tax Credit for an acquisition made by that Party but to which another member of the same GST Group is entitled under the GST Law.

Taxable Supply has the meaning given by the GST Law, excluding (except where expressly agreed otherwise) a supply for which the supplier chooses to apply the Margin Scheme in working out the amount of GST on that supply.

48.2 Subject to clause 48.4, if GST is payable on a Taxable Supply made under, by reference to or in connection with this Deed, the Party providing the Consideration for that Taxable Supply must also pay the GST Amount as additional Consideration.

48.3 Clause 48.4 does not apply to the extent that the Consideration for the Taxable Supply is expressly stated in this Deed to be GST inclusive.

48.4 No additional amount is payable by the Council under clause 48.4 unless, and only to the extent that, the Council (acting reasonably and in accordance with the GST Law) determines that it is entitled to an Input Tax Credit for its acquisition of the Taxable Supply giving rise to the liability to pay GST.

48.5 If there are Supplies for Consideration which is not Consideration expressed as an amount of Money under this Deed by one Party to the other Party that are not subject to Division 82 of the A New Tax System (Goods and Services Tax) Act 1999, the Parties agree:

48.5.1 to negotiate in good faith to agree the GST inclusive market value of those Supplies before issuing Tax Invoices for those Supplies;

48.5.2 that any amounts payable by the Parties in accordance with clause 48.2 (as limited by clause 48.4) to each other for those Supplies will be set off against each other to the extent that they are equivalent in amount.
48.6 No payment of any amount under this clause 48, and no payment of the GST Amount where the Consideration for the Taxable Supply is expressly agreed to be GST inclusive, is required until the supplier has provided the recipient with a Tax Invoice or Adjustment Note as the case may be.

48.7 Any reference in the calculation of Consideration or of any indemnity, reimbursement or similar amount to a cost, expense or other liability incurred by a Party, must exclude the amount of any Input Tax Credit entitlement of that Party in relation to the relevant cost, expense or other liability.

48.8 This clause continues to apply after expiration or termination of this Deed.

49 Explanatory Note Relating to this Deed

49.1 The Appendix contains the Explanatory Note relating to this Deed required by clause 25E of the Regulation.

49.2 Under clause 25E(7) of the Regulation, the Parties agree that the Explanatory Note in the Appendix is not to be used to assist in construing this Deed.

The public domain will be integrated with the future private open space on the adjacent sites and the design will allow for this.

The objectives of the Darby Plaza public open space are to provide a space which:

1. facilitates linkages and accessibility between Darby Street and the harbor foreshore, enhanced by visual links and signage.
2. provide opportunities for people to rest, walk and cycle in a safe and comfortable environment, including through the provision of:
   a) sealing and shade
   b) high quality paving treatments
