To report a missed collection service or a damaged/missing bin, visit newcastle.nsw.gov.au/collections, download the **City of Newcastle App**, or call **4974 2000** for RED LID and GREEN LID bins or **4920 1455** for YELLOW LID bins.

Get it right on bin night

Using and placing your bins correctly will help ensure that our collection trucks can service them

Don't place bins under low-hanging power lines or trees
Our trucks need to lift your bins up high to tip them

Try to space bins one metre apart
This helps our truck's lifting arm to reach your bins

Place bins away from parked cars

Place bins away from poles

Put bins on kerb by 5am on your collection day

Don't overload. Our trucks can't lift bins that are too heavy

Don't contaminate. Only put accepted wastes in each bin

Don't cram. Your bin won't empty if it's packed too tightly
