Savings provisions

Any development application lodged but not determined prior to this section coming into effect will be determined taking into consideration the provisions of this section.

Land to which this section applies

This section applies to all land to which the Newcastle Local Environmental Plan 2012 applies.

Development (type/s) to which this section applies

This section applies to all development consisting:
- child care facilities
- community facilities
- correctional centres
- educational establishments
- health service facilities
- information and education facilities
- places of public worship
- public administration building
- research station.

Applicable environmental planning instruments and legislation

The provisions of the following listed environmental planning instruments and legislation may also apply to development applications to which this section applies:
- Newcastle Local Environmental Plan 2012
- Community Services Regulation 2004
- Children’s Services Regulation 2004
- Children and Young Persons (Care and Protection) Amendment (Out of School Hours Care Services) Regulation 2007
- Children and Young Persons (Care and Protection) Act 1998

In the event of any inconsistency between this section and the above listed environmental planning instruments, the environmental planning instrument will prevail to the extent of the inconsistency.

Note 1: Additional environmental planning instruments may also apply in addition to those listed above.

Note 2: Section 74E (3) of the Environmental Planning and Assessment Act 1979 enables an environmental planning instrument to exclude or modify the application of this DCP in whole or part.
Related sections

The following sections of this DCP will also apply to development to which this section applies:
- 4.04 Safety and Security
- 7.01 Building Design Criteria
- 7.02 Landscaping, Open Space and Visual Amenity

Definitions

A word or expression used in this development control plan has the same meaning as it has in Newcastle Local Environmental Plan 2012, unless it is otherwise defined in this development control plan.

Other words and expressions referred to within this section are defined within Part 9.00 – Glossary of this plan.

Aims of this section

1. To maintain the streetscape, amenity and character of areas surrounding community services.
2. To ensure community services are accessible, convenient and appropriately located.
3. To encourage social connections, community participation and promote health and wellbeing.

3.11.01 Building design

Objectives

1. Ensure community facilities integrate with the surrounding environment and built form.

Controls

General controls applying to all development to which this section applies

1. When designing and siting community facilities consideration is given to, but not limited to:
   (a) location and use of surrounding buildings
   (b) views to and from the site
   (c) access to the site
   (d) existing vegetation and topography of the site.
